

Maze Runner

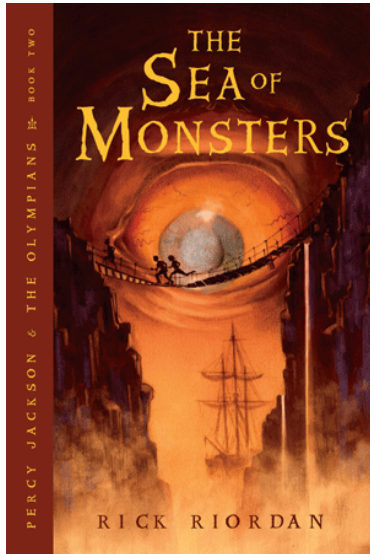

I want to read Maze Runner because of watching the movie and wanting to see difference between the movie perspective to the author's perspective. Also to get better read skills. Which will help me to write better for Erin's class and in the future.

The Hobbit

I want to read this book because I am just like the adventure in the story and the way the story has developed. Also how this adventure starts and how they meet each other. The reactions when they see each other. Also the goals of each side of the war or battle.
